Q & A from pre-submittal meeting of December 2, 2014

Q1: Will DOTD provide estimated percentages for major items of work in the advertisement?

A1: Consideration is being given to using multiple past performance rating categories for this contract. These would likely be EV – Environmental, and TM – Traffic Engineering Management. The percentages for each to be used for grading purposes will be shown in Addendum No. 2.

Q2: Minimum Personnel Requirement No. 3b requires two environmental professionals registered in the State of Louisiana. What type of registration is required?

A2: There are no registration requirements. MPR 3b will be revised accordingly in Addendum No. 2.

Q3: The advertisement states that this is will be a negotiated contract. Will the contract be negotiated as a whole or in phases?

A3: The contract will be negotiated as whole. Scope changes or other additional work, if any, will be handled with negotiated supplemental agreements.

Q4: Section 13 of the DOTD Form 24-102 is limited to four pages. Will consideration be given to allowing more pages for this submittal?

A4: Consideration will be given to allowing more than four pages. Any change to the number of allowable pages will be addressed in Addendum No. 2.

Q5: Is the advertisement closing date still January 13, 2015?

A5: Yes.
